Mathematics in various forms confront us so often in our lives that it is almost absurd to ask, "Where will I ever use this?"

The math program is geared to prepare the student to continue studying math in college. Rather than teach any one student how to do any one specific job, it operates on the philosophy that a student who goes into the program will know enough about a variety of topics to be able to adapt to any job or situation which requires math.

Each spring a group of selected students take the National Math Test. Also, this will be the second year Le-Win has participated in the Math Contest in Dubuque.

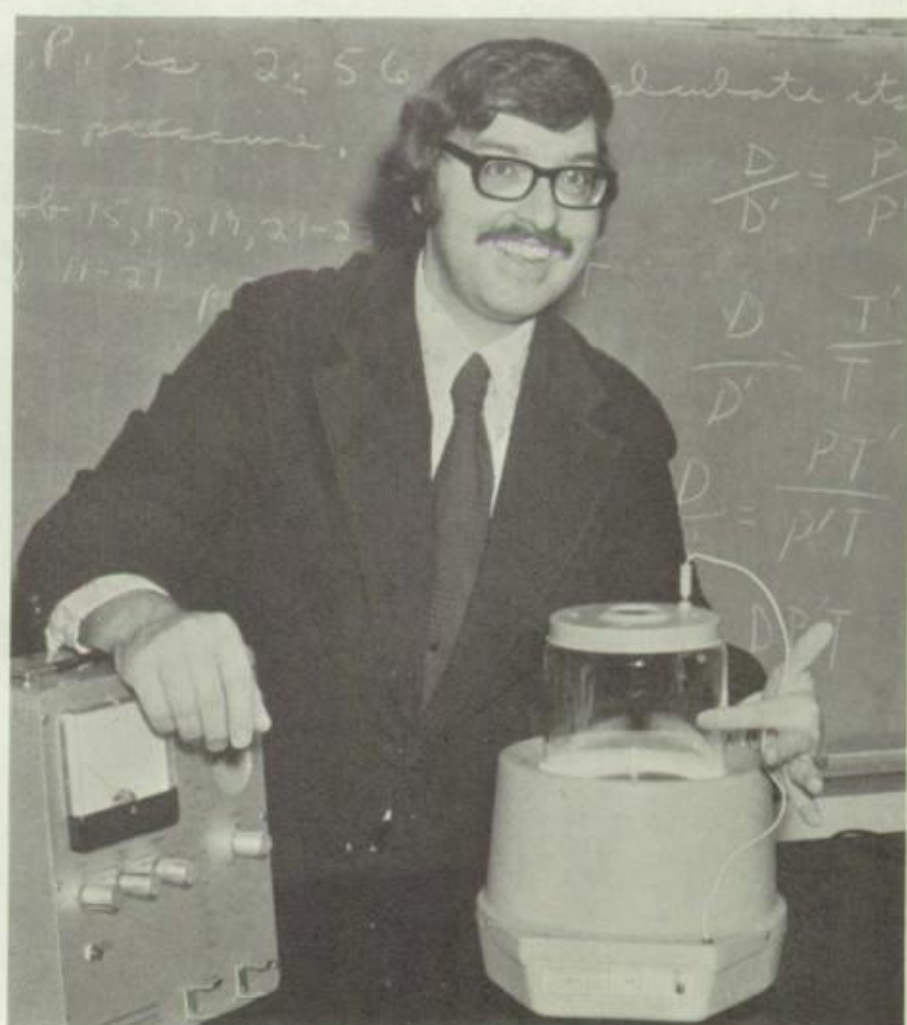

Calculators Replace Slide Rules

The Science Department of Le-Win covers a broad spectrum of the physical sciences. The courses offered range from the basics of scientific study, general and physical science, to the more analytical studies of biology, chemistry and physics. Qualitative and quantitative analysis and more advanced physics are offered to accelerated seniors.

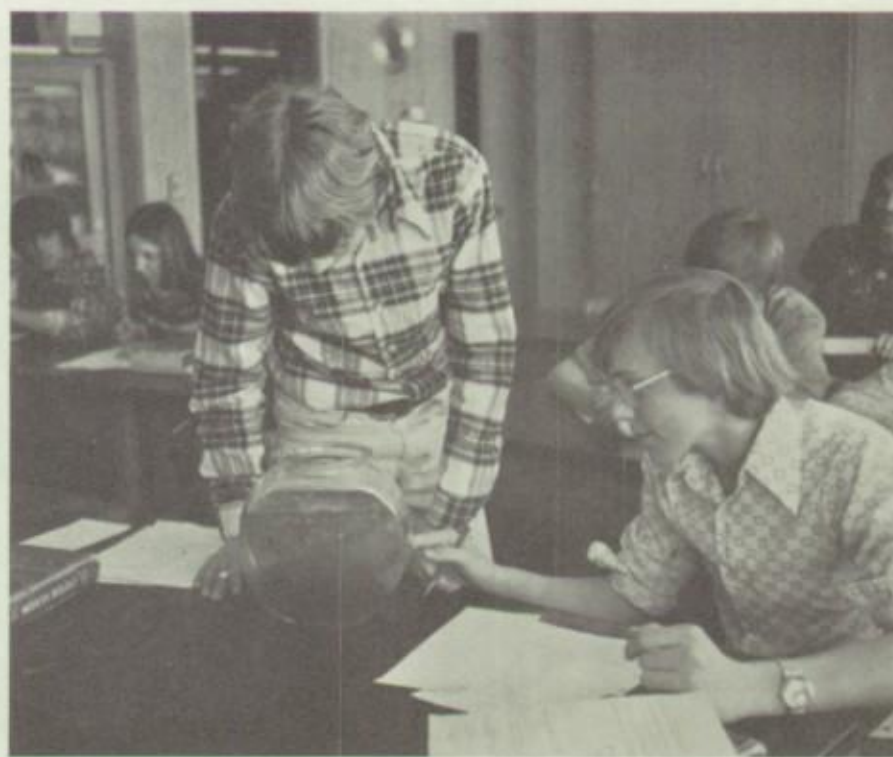

The students are continually challenged and encouraged to question and work out various problems under the guidance of their teachers.

Opens New Horizons

The Building Trades program consists of students from Le-Win and Pearl City who spend two 55-minute periods building a one-story house in Butternut Woods. Students are involved in foundation work, framing, plumbing, heating, electricity, brick work and other phases of house construction.

The objective of the Building Trades program is to provide students with the opportunity to gain practical knowledge concerning the basic areas of house construction and to develop basic carpentry skills.

The aim of the Auto Mechanics course is to give the student ample instruction in the fundamentals of auto mechanics. Students receive comprehensive shop experience.

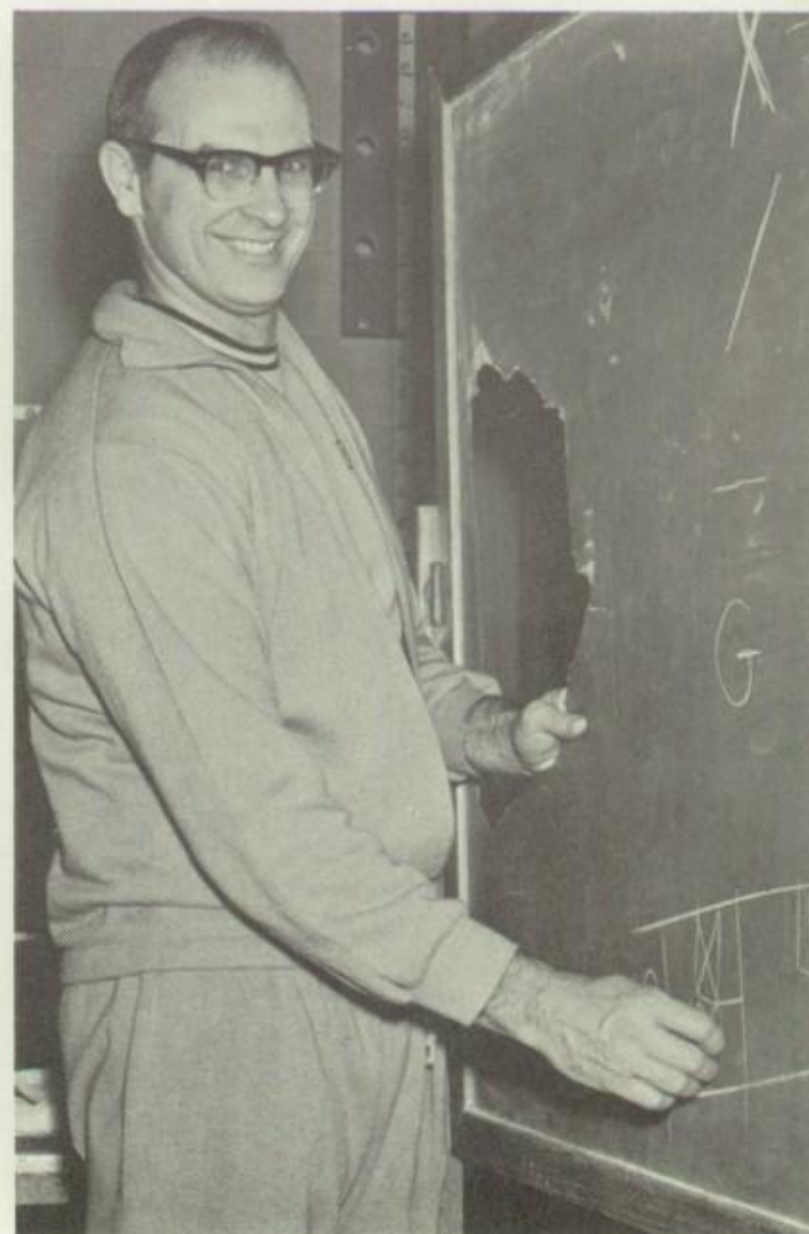

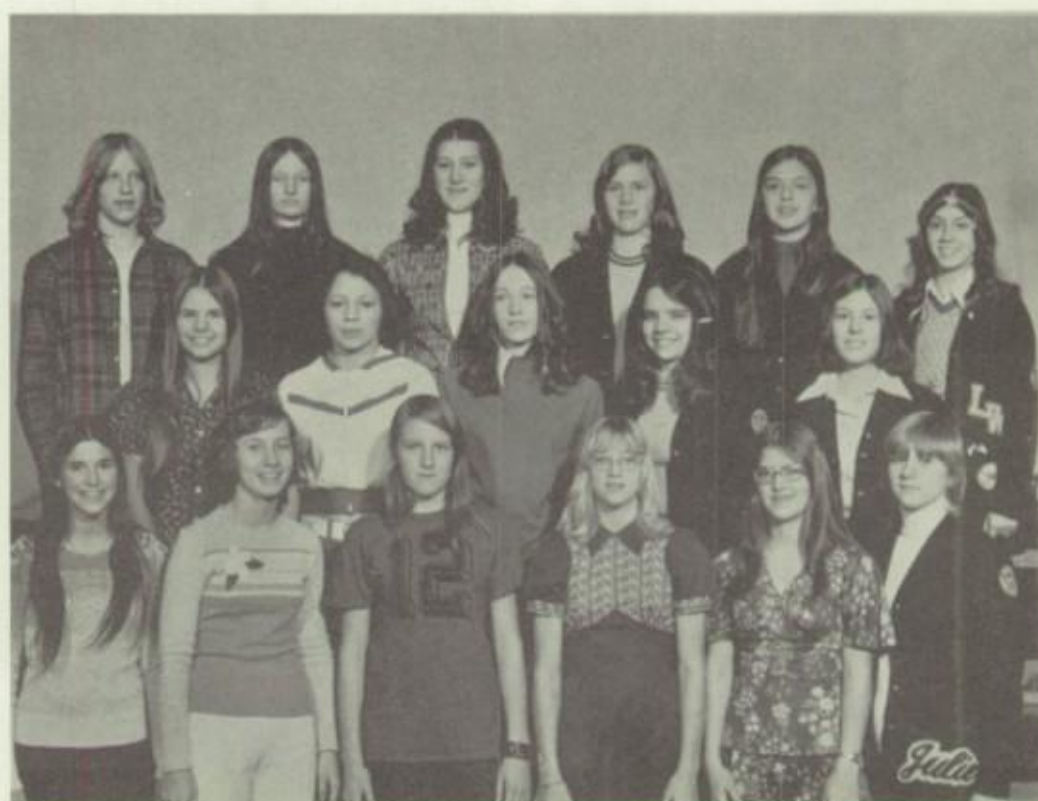

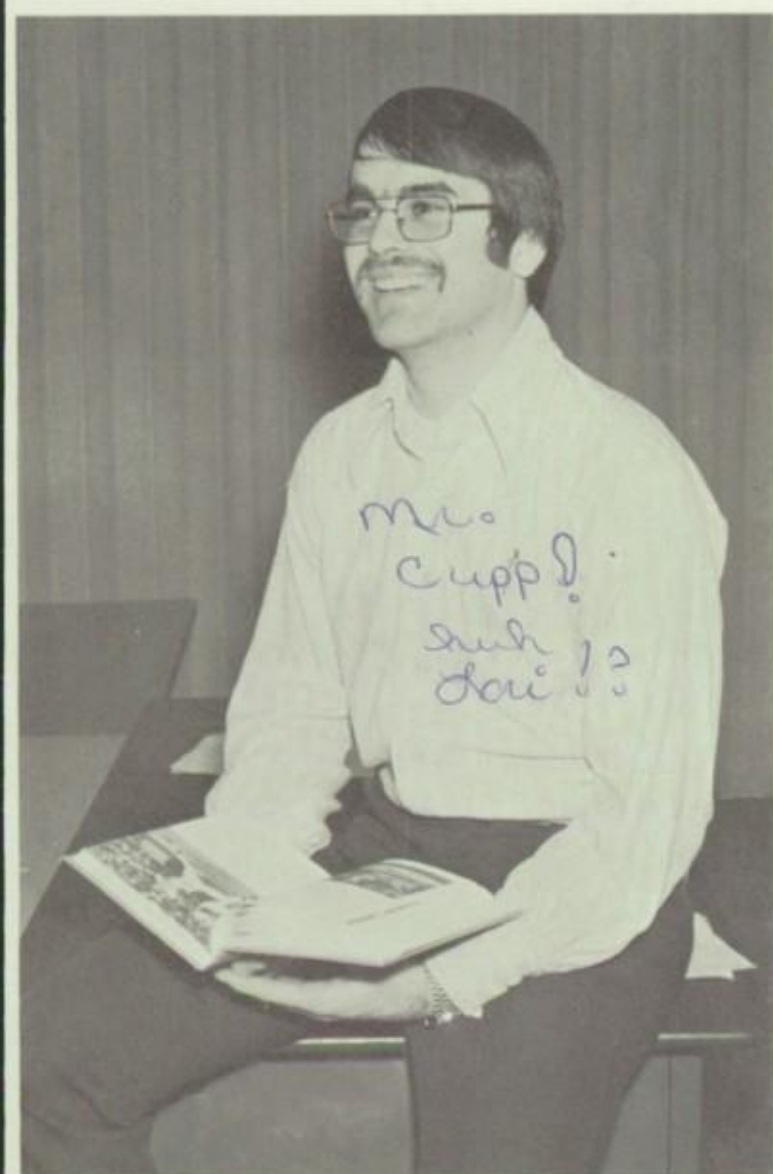

Physical education may be described as education through physical activity. It provides each student with the opportunity to develop skills and attitudes that will serve them throughout life. The emphasis is not so much on exercise for the sake of exercising as it is on having the student acquire skills that will stay with them the rest of their lives.

Agriculture
Sponsors: FFA

Since we are located in the midst of a farming community, agriculture is one of the most important courses offered at Le-Win. Many of the students, both boys and girls, will be farmers of tomorrow. It is hoped that the knowledge gained from these courses will help them in their future roles as food producers.

always,
Well I guess it's better than mine.
You know, we've really done a lot of
stupid things in Alg. so we spent more time
after school than in class! Then I was stupid in
the picture. I just think, we only have 2 years left and
they are going to go faster than we want them to. I know
school is out that yet. We only have 3 classes to get
not ready for that yet. We only have 3 classes to get
this year but I guess that's better than next year. Typing is so
much fun I want to take a lot of pressure and I know
you must be the teacher. She is so warm and under-
standing. She lets us talk, chew gum, and we hardly
ever have anything hard to do, right??!! There are
a lot of new kids this year. Pretty soon we'll get
a new school. I want to be the day we'd get
on our great team "Coach Lori". You
have a really go. Smiling
will gotta keep ya,
& keep smiling
Love ya,
Fear

ACTIVITIES

Swiss Alps Set

Swiss Alps provided the background setting for the "Alpine Village" theme of the Junior-Senior Prom on May 4, 1974. Girls dressed as Swiss maids served refreshments from a chalet. Swiss cantons added to the atmosphere.

King, Gary Costello and Queen, Linda Krebs were crowned by junior attendants, Marilyn White and Mark Speilmann. The Grand March was led with music by Clifton Manor.

Background for Prom

**ALPINE
VILLAGE**

LE-WIN 74

Alpine Village was used as the theme for the Junior-Senior Prom held May 3, 1974. Swiss cantons and a Chalet helped set the mood for the evening.

Junior Attendants Marilyn White and Mark Speilmann crowned Queen Linda Krebs and King Gary Costello. Music was provided by Clifton Manor.

"SPIRIT OF '74" IS

The Homecoming Court for 1974 was Cynthia Costello, Queen; DeAnn England, Senior Attendant; Barb White, Junior Attendant; Karen Wagner, Sophomore Attendant; Pam Daws, Freshman Attendant. The queen and her court were announced at the bonfire and snake-dance held Thursday night prior to the game on Friday.

Queen Cynthia was crowned by Co-Captains Denny Heer and Kurt Miller at half time Friday night of the game against Aquin.

The Homecoming Dance was held Saturday night with "Fly" providing the music.

The National Honor Society offers recognition to students demonstrating character, scholarship, leadership and service. School leaders with a B average are eligible to be considered for membership. Faculty members nominate students for membership, listing the projects in which their service, leadership and character have been shown. The local chapter's faculty council makes the final selection from those nominated.

On May 20 the National Honor Society sponsored Le-Win's annual Honors Night to give recognition to award winners and leaders in all the school's organizations and activities.

The band started out the year with the annual fall festival parade, and then marched its way through football season with a pregame performance. In the fall the band marched at Whitewater, then marched for Homecoming parades at Aquin and Warren. Then they began practicing for the basketball season and played at each home game. The Northwestern Conference started its annual Music Festival at Le-Win in January. The band also spent its time preparing and participating in the Solo and Ensemble Contest. The band will work up numbers for Memorial Day Parade and graduation.

The Le-Win Pom-Pon Squad was under the supervision of a new adviser, Mrs. Pam Dossett. During the summer some of the girls attended camp and brought back new ideas.

Performances this year included marching in parades and routines at home football games with the band. Despite some technical malfunctions with record players, the girls performed at all the home basketball games. Special performances included the use of bells and flashlights.

Music Festival

The 1974-1975 year was a busy one for the chorus. In December they held their annual Christmas Concert. In January the Music Festival was held at Le-Win, a first for the school. On March 8, the chorus participated in the Solo & Ensemble Contest at Highland Community College. Next on April 19, the Organizational Contest was also held at Highland. The chorus finished up with a Spring Concert on April 27.

The Swing Choir went to a swing choir clinic held at Macomb. They were in great demand during the Christmas season and finished out the year by capturing a first at the Solo & Ensemble Contest.

FHA Uses "Careers" Theme

The 1974-75 theme for the Future Homemakers of America was "Careers". There were meetings and programs with outside speakers to get the girls interested in the different careers that are offered for them.

The activities for the year were: a roller skating party to start the year off, speakers on floral arranging, a beauty operator, slides on Europe shown by some teachers and students, Daddy Date Night and a sledding party with the FFA.

A style show was planned to let the members show their garments they had made.

The selling of Stanley and cake raffles held at home basketball games will help finance the style show and trips to Chicago in June, which will conclude our year.

We are looking forward to next year which will be our Bicentennial year. We will be planning projects, activities and programs in the hope that our FHA girls will be more appreciative of their heritage.

SAE Visits School

Among the activities the SAE (Student Action for Education) Club had this year are a wiener roast, a scavenger hunt and a pumpkin carving party. The Jack-O-Lanterns were taken to the Freeport Memorial Hospital. To achieve their goals of serving their school and community and exploring occupations involved with education, the students had foreign exchange guest speakers, a speaker on prisons and they also visited St. Francis School for Exceptional Children. Certain interested members also attended the SAE state convention.

GAA Has Busy Year

GAA consisted of 110 girls in '74-'75. In August the new members were pledged in Lion's Park and then enjoyed a wiener roast. The fall activities included speed-up softball, frisbee ball, beat the ball, volleyball and hikes.

During the winter months the girls bowled for 14 weeks at the Lena Sports Lanes; then went swimming at the YMCA in Freeport. The annual pizza party was well-attended.

On January 13th there was the second annual ski trip to Plumtree, Shannon, and February was the first co-ed ski trip to Chestnut Mountain, Galena. Snow play at Lake Le-Aqua-Na was a new activity.

At this writing GAA is busy planning for its first slumber party in the Le-Win gymnasium.

On May 5th GAA held their annual Mother-Daughter Awards Banquet.

BOWLING TOURNAMENT: FRONT — P. Hudson, D. Scheider, B. Shaw, P. Thrasher, B. Price, L. Buhai, M. Youtzy. BACK — L. Hughes, D. Hale, K. Becke, K. Andrews, K. Miller.

FFA Is Kept Busy

FFA OFFICERS: ROW 1 — Jeff Lobdell, Mark Vanscoy, Pres., Keith Otte, Nelson Krahmer. ROW 2 — Terry Calhoun, Murry Lobdell, Mr. Setterstrom, Adviser, Jeff Wymer.

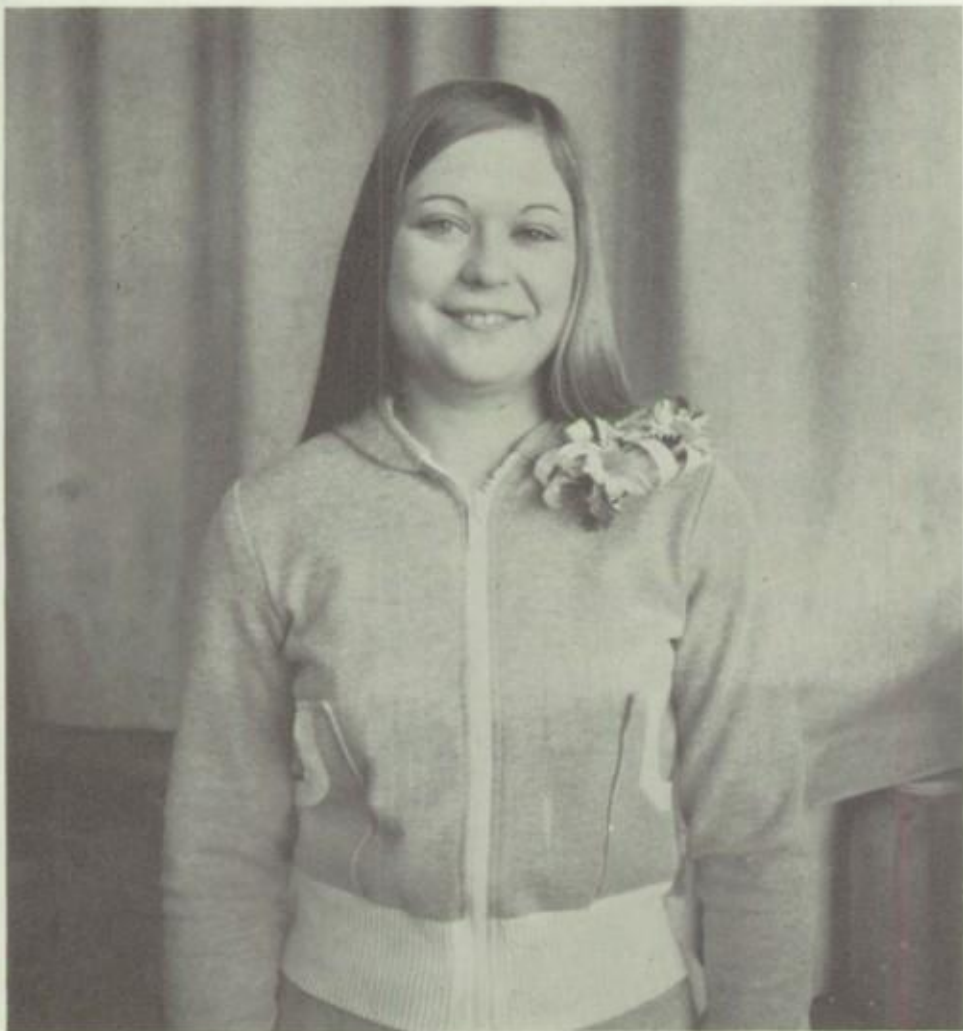

The Le-Win FFA Chapter was very busy this year. Starting last June with the State Convention and ending with the last regular meeting in May, members have been very busy. Members participated in judging contests such as Grain, Livestock and Dairy. This year all regular meetings were held during the activity period and this helped the chapter attendance because all members were able to attend.

Our recreational meetings were held at night. A sledding party with the FHA was held in February as well as a joint night meeting in May. Our money making projects this year included Christmas Card sales, Garden Seed sales and the chapter chain gilt program. Perhaps the biggest event of the year was our Banquet, held in March. Much hard work and time was put forth for the Banquet — 108 members and guests attended.

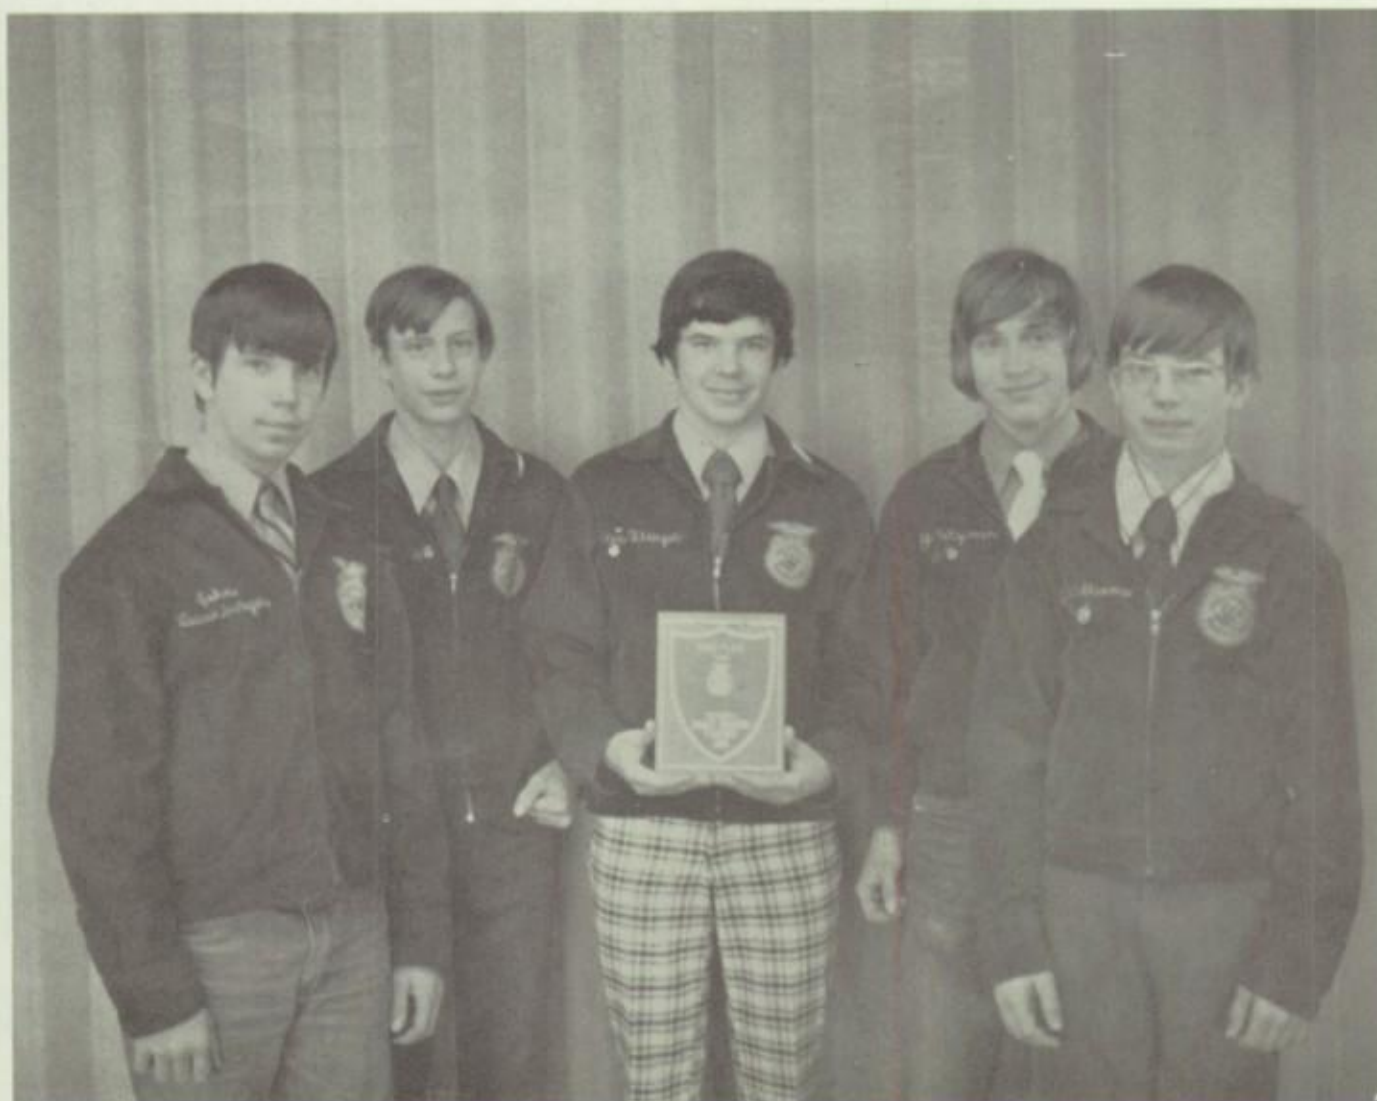

The officers found this year challenging and also a lot of fun. With continued hard work the Le-Win FFA has a good future.

1974 Le-Win Track

Squad Takes Title

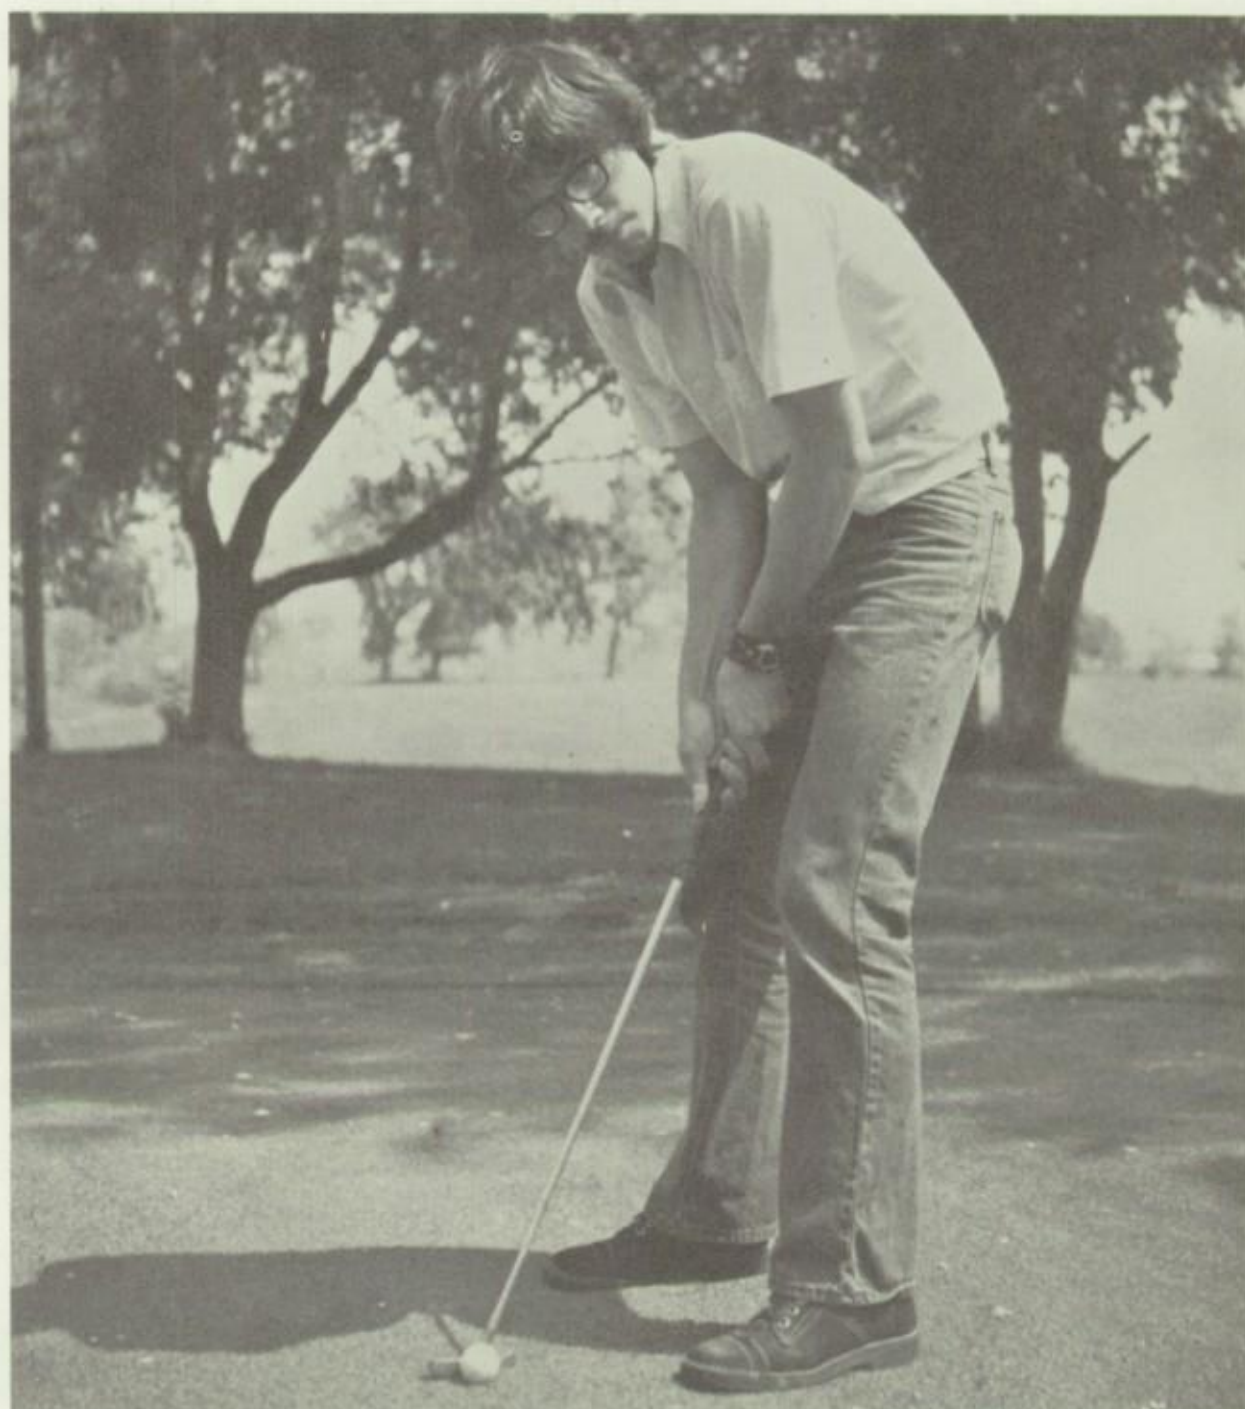

The Le-Win Panthers won the Stephenson Conference Track title for the tenth consecutive year. This was the last year for the Stephenson Conference. The Panthers set three new records. Terry Weegens placed first in the 330-yard low hurdles with a 35.4 run. Al Hudson won the triple jump and set a record with a 38'1" jump. Randy Kryder set a new mile record with a time of 4:51.3. The top scorers for the '74 track season were Matt Stewart, Terry Weegens, Randy Kryder and Jeff McIlvanie.

Le-Win Golfer Goes To State Tourney

The 1974 golf team consisted of one freshmen, two sophomores, four juniors and four seniors. Le-Win finished the season with a 4-7-1 record. The highlight of the season was Mark Spielmann taking first place in the conference tournament, followed by a first in the district meet, and a seventh place finish in the state tournament.

The 1974 football season saw a number of "firsts". It was the "first" season for the newly formed Northwest Conference, the first year the Illinois High School Association (IHSA) sponsored a state football tournament, and the first year of the sudden death tie-breaking rule. The Le-Win Varsity football squad, who had hoped for a Conference Championship and a berth in the state play-offs compiled a 3-3 Conference record and a 5-3 over-all record. Their record fell short of their expectations, but was not an example of their playing ability. Le-Win scored 204 points to their opponents 70. In the three games lost the squad lost by a total of 12 points. The season opened with two wins, Byron and Warren. The Warren game saw Le-Win roll over the Warriors 59-0. After losing to Stockton 8-6 the Panthers came back to win against Galena 21-0. On October 4, the Panthers hosted Aquin in their Homecoming. After four quarters of play the score was tied 16-16. With the new sudden death tie breaker rule each team was given four plays to score from the ten yard line. Le-Win fumbled the ball and as a result forfeited their last three chances to score. Aquin scored to win the game 16-22. The Panthers received their third loss from Lanark as the Beavers scored 24 points to the Panther's 19.

The Panthers ended their season with victories over Dakota and Comanche, Iowa.

Panthers Accomplish

The Le-Win Panthers completed one of their most successful seasons ever by compiling a 22-7 record and capping off the season with a Regional championship and a trip to the Sectional at Riverdale.

The Panthers began the season with a second place finish in the Turkey Tournament, losing the championship game to Galena by a score of 61-55.

Another second place trophy was obtained in the Durand Holiday Tourney. This loss was at the hands of Dakota 45-44.

After a disastrous loss to Aquin that many people thought would knock them out of the race, the Panthers reeled off eight straight wins and were once again in the thick of the fight. Their drive fell short with an 83-74 loss to Galena on the last day of the season. The Panthers ended up in a third place tie with Dakota with an 8-4 conference record.

It was a different story in the Regional Tournament. The Panthers won the opening game easily over Orangeville, 75-55. They then dumped Shannon 60-48. The Dakota Indians were the Panthers' next victims, 69-52, giving them the Regional championship.

The Panthers kept right on rolling at the Riverdale Sectional, beating Fulton 61-52. Their season came to a halt though, March 7, with a 48-36 loss to Riverdale in the Sectional championship game.

Le-Win Advances To First Sectional

Sports Of Sorts

Girls Track

The Girls' Track team had a disappointing season; they had two meets, the other six were canceled because of rain. However, the girls showed potential, with Lynn Silaggi running the 50 yd. and 100 yd. dashes, Cindy Dittmar in the mile, Paula Miller, softball throw, Kathy Mann, high jump. Coach Black hopes for more meets, better weather and better participation.

Volleyball Team Has

1974-1975 saw the beginning of a new precedent in girl's volleyball. This was the first year for conference play and a state tournament. The varsity volleyball squad consisted of 12 girls: seven seniors, two juniors, one sophomore and two freshmen. The girls went undefeated in conference play, earning a conference trophy, and went on to earn a district plaque in Galena. They had a 6-0 conference record and an 8-1 overall, ending their drive at the Sectional competition in Rockford.

Well
I don't have
much to say be-
cause almost 1/2 of the
year is up. This yearbook
is old, and you're just now
asking me to sign it, boy what a
friend (HA, HA) you should have another
party sometime that was a lot of fun. I
just got finished with my history test, which
I probably flunked. I hope you have a lot of fun
this year in Pom-Pom. I hope that maybe next year I
can have that fun with ya. I just hope so. I think this
year is really going fast, so far, just think I'll probably never see
you after we get out of school. But well have to make sure to say. I
we all get together. Well I don't have much more to say. I
could, with the whole page full, because I hardly ever ~~could~~ get to talk to
you. I can't really concentrate, because everybody is talking in history.
A friend Always
Rene'

Sori,

I know I should be writing
about how much fun last year
was, but since this book came so
late I'm going to write about this year.
So far, pom-pom has been a lot of fun.
The only time I ever get to see you anymore
is when we meet in the hall. I hope you
like your football. I think it's neat. I hope you get
your 9 X 10 glassy. I know you such a sentimental
nut, and that's why I hate to talk about only having 2
more years left. We have to make this year and next the
best in our lives. Because after our graduation it's "look out
world here we come". I want to do everything that is fun
in the next two years. Parties, Parties, Parties!! (fun ones) We've
got to get together and have another party soon. We'll stay
up even later this time. I want to say and do so much in
these last two years, but I can't seem to find time or find the
right word. I want to do so much with you. I guess we'll
have to get together. I've ratted on and on and said absolutely
nothing! So I guess I'll close by saying —
Always your Friend
I Henri

Fori, P. 19
are well - here we
one - just think
were nice year and
can hardly believe it.
It seems like all
we know so fast, and before
we had a lot of good times and
the best ones you came to come.
Just best ones you came to come.
Wait! you cute & sweet.
Always your friend,
Kim

Ok Saturday,

Since your making me write
again - I will - just for you, you know me?
I bet now you wished you hadn't. I only
hope I'm just kidding. We've had some pretty
good times through our high school years and
I only hope they don't quit because we've got
two more years to enjoy. I hope everything
goes as smooth and happy as you'd like
it to and I only wish you luck. My
friendship to yours. "Good Luck." Before
I'm through I want to ^{write} you and tell you
what I think and that I'm sorry. Here
goes: I realize what it's been like for
you. There's been a lot of times where we've
really let you go. I am really sorry for
that. Maybe you won't accept that but
I am. I see a lot in you and I
want you to make the most in life. You
a very easy going, smooth, and happy
go lucky girl. Keep it that way. You
a lucky girl and you'll get the chance.
It just seems like whenever we ask
some of you guys along, you do. It act
like you really want to go - Well - I think
about it. and I promise you (as a good friend)
it will become better. Better go - my
page is about up. Take care and remember
these years!

Always
Kimber
